Join Better Together ND

Thursday, October 8, 2020 - 7:00pm to 8:00pm

Join BetterTogetherND for our launch of Interfaith Small Groups on October 8th. This event invites students to learn more about interfaith small groups offered through BetterTogetherND. Open to all students who are interested in interfaith cooperation, developing leadership skills, and spending a semester/academic year sharing meals, time, and learning together in interfaith small groups led by McNeill Interfaith Leadership Fellows. Interfaith cooperation is a movement in which participants come from diverse religious and non-religious identities working together for the common good. The movement for interfaith cooperation is open to all those that believe in this vision, including those that identify as agnostic, atheist, or secular humanist (referred to as “non-religious”). Breaking down the walls between religious and non-religious communities is vital to truly engaging religious diversity and building a world of equal dignity and mutual loyalty. Thursday, October 15, 2020, 7:00PM

Zoom Webinar: 995 6768 9329

Passcode: LSHAND

The Hispanic Alumni of Notre Dame (HA of ND), which ND established its advisory board in 1994, will host a panel of alumni discussing their personal and career choices. The panel seeks to connect students with alumni currently working in fields such as business, nonprofit and academia who will “talk about their life as Latinos at Notre Dame and after.” Many are pioneers and leaders in their career paths and aim to share their experiences with the ND community on October 15, bringing Hispanic Heritage Month on campus to a close.

The main purpose of the panel is to connect alumni to undergraduate students to foster mentorship relationships. HA of ND and ILS are committed to growing these relationships to create the next generation of leaders in the Latino community.
