## August 2021 Events and Opportunities

List compiled for the DreamND Community Please contact Leonor at <a href="https://www.with.avy.com">www.with.avy.com</a> with any questions.

## **CAMPUS UPDATES AND OPPORTUNITIES**

#### **DreamND Support Space**

This group meets weekly for an hour. Day and time TBD for the fall.

The support space is a place to build connections with the DreamND community. It's a place to talk about how you are doing, get support, and share resources.

The support space is facilitated by Dr. Chris Conway from the University Counseling Center (UCC). We hope to see you this fall!

## Kellogg Institute for International Studies – Open house (with prize drawing!)

When: Monday, August 30 from 4-6pm

Where: Hesburgh-Mendoza Quad

What: We will have food, prizes, and games for attendees to enjoy as they learn about Kellogg student programs and interact with current students, faculty, and staff of the program. This will be a great opportunity for students, especially first years and sophomores, to learn about getting funded for international internships or research, joining the Kellogg International Scholars Program and/or International Development Studies minor and engaging in global issues of today. Undocumented and DACA students are encouraged to apply for Kellogg programming, research opportunities, and funding – there have been many successful connections between the Kellogg Institute and our Dream ND community – you do not have to be able to travel abroad in order to be involved in international related scholarly activities! Check out the <u>undergraduate opportunities</u> on their website and stop by the open house on August 30 to learn more! I'll (Leonor) be there at 4pm – so if you see me come say hi.

**Diversity Tailgate:** Join us at the Alumni Association at Eck Center for a Diversity tailgate before the ND vs. Toledo game on September 11, 2021. If you will be attending the game, please come find us and have a burger, drink and maybe get some cool HAND swag! Go Irish!

## ALUMNI BUSINESS Directory

<u>IrishCompass</u> has a new Alumni Business Directory where Hispanic Alumni owned businesses can be designated so you can connect with them in your community. This directory is specifically created for HA owned businesses of 500 employees or less and also HA owned law firms, accounting firms, etc.

## **ACE Programs and Services**

The Alliance for Catholic Education (ACE) offers a two-year fellowship in which participants teach in an under-resourced Catholic school while also earning a cost-free Master of Education degree from the University of Notre Dame. By forming a new generation of committed, faith-filled Catholic school teachers, ACE aspires to sustain and strengthen Catholic education. Notre Dame's ACE program accepts DACA students. ## YouTube Video: The Importance of Self-Advocacy Skill in Hispanic and Undocumented Students

Latino college students are the fastest growing population in the United States. However, Latino educational attainment yields behind, and more so for undocumented students. This special population needs additional attention in the form of financial, emotional, academic, and cultural support in order to persist, thrive and succeed in higher education. This presentation is for school counselors. It will focus on providing them information and tools that work well with this underrepresented student population to help them increase Self-Advocacy skills, that will conduce them to increase self-efficacy, and self-empowerment to confidently navigate higher education.

## YouTube Video: Student Panel & Closing Remarks

For undocumented students, challenges due to legal status can impact various aspects of their college search process and later influence their options post-graduation. In this session, we will learn about life during college from a panel of current college students. Panelists will discuss their personal path to a college degree and the challenges and successes they faced in the process. They will also share advice

on how counselors, educators, and advocates can better support their student's journey to college and beyond.

**TheDream.Us** is the nation's largest scholarship provider for undocumented students and those with TPS. The organization works to help 6,000 highly motivated DREAMers graduate from college with career-ready degrees. TheDream.Us partners with over 70 colleges—both community colleges and 4-year universities—to provide a wide range of information, support, and resources to Dream.Us fellows.

**Carolina** grew up undocumented in the U.S. for over a decade. In 2011, she created My Undocumented Life as a platform for undocumented communities to obtain up-to-date information and resources on pursuing higher education, immigration policies, and much more. Carolina recently completed her PhD in

Education at Harvard. Her current research project explores the consequences of heightened immigration enforcement on undocumented immigrants and their families.
